Notice of utility surveys in central Birmingham

May 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by a joint venture between Laing O'Rourke and Murphy & Sons known as LM.

We're preparing for our future utility works.

Over the coming months, we'll continue to work on roads in central Birmingham to help us plan our future utility diversions and prepare for the construction of the railway.

We'll be carrying out works in the local area.

To carry out our utility surveys safely, we need to manage traffic and pedestrians in the area. We'll carry out the surveys in phases, rather than all at once, to keep disruption to a minimum.

We'll be carrying out works on **New Canal Street** and **Park Street** (see tables and maps on pages 2 and 3). **Access to properties will be maintained** throughout the works. We'll put up signage to explain these changes to road users and pedestrians.

We have planned traffic management:

Traffic management will be in place on:

- **New Canal Street:** Wednesday 29 May to Friday 31 May (road closure)
- **Park Street:** Saturday 1 June to Sunday 2 June (lane closure)

This schedule is **subject to change** depending on site and weather conditions, but we'll keep you informed of any adjustments via www.hs2inbirmingham.co.uk

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of work

Works will take place from 29 May 2019.

Core working hours are 8am to 6pm, although staff may be on site up to an hour before and an hour after those times.

Traffic management measures will be in place **beyond these times**.

What to expect

There will be some noise created by these works, but we will keep this to a minimum.

What we will do

Keep disruption to a minimum.

Answer your questions via the 24/7 HS2 helpdesk.

Our next drop-in session will be on Tuesday 28 May at Millennium Point.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
